The names of dedicated publications are normally given in italics.

TODDLER

The first level marks the twenty minutes astrology initiates. This means the proverbial shoeshine boy, florist and butcher: people able to recount your fate to the minute detail while they make your shoes shine, arrange flowers for your marriage or provide you with dinner for your guests. As quick prediction is easily learnt by anyone in twenty minutesⁱ, no paper, pencil, ephemerides, or god forbid computer are needed at all. At this level, everyone knows the date of your next marriage in seconds – **by memory**. With a little practice, anyone can tell *all the loves in your life* by time and quality in fifteen minutes.

ANTITERRORIST

At the advanced level, one makes use of up to 500 directions instead only a few. These of course include the secondary angular direction. One-minute Moon ephemerides as perused along with a precise ascendant ephemeris will yield the second of the event. While the day of the event is often easily estimated by memory, at this phase we know the hour, minute and second of any event in advance, e.g.

Eris 0 azimuth W *in Cetus* NYC + Obama Moon χ_I Orionis = WTC 9-11.

Such a calculus is hardly performed by a toddler. Of course, said toddler can *nevertheless deduce* the year and time of the event by alternative methods. At this level, one learns how to predict the movement of nuclear submarinesⁱⁱ, troops, as well as e.g. hot bombardment spots. In that respect, one's complete knowledge of the 88 ascendants is welcome; Ara will do in the case of Baghdad.

ASTROLOGER

At the third level, one peruses and directs over 500 objects of interest along with their delineations in the twelve houses, extra-zodiacal as well as zodiacal constellations; as provided by the site. The list of classes of objects can be found in the Services section. The main classes are the giant comets, dwarf planets and centaurs.

Academic Zodiac – Welcome Your True Stars

22 zodiac signs
16 ascendants

PUBLICATIONS AND SITE URL DEADLINE

<http://www.lulu.com/spotlight/astrology>

The cetaceanⁱⁱⁱ years 2011 & 2012 do mark interesting times, indeed. At present, the zodiac is partly vanishing from the web due to a timed deadline. Thousands of publications will expire by mid October 2011, never to be republished again. Make your download till October 14th 2011 when the revealing publications are alas scheduled for timely self-destruction. You don't want the strategic zodiacal as well as magical material to fall into wrong hands, do you now?

WITCHÅLLOW

As new skies barely make appearance, it's not as yet really known what *new heavens* **are** about. Traces of what we *do* know are to be found within the large body of *Dark Flux – Axis of Evil* material. The deadline - *expiry* for said purchase is October 15th 2011. This deadline is **final** as concern multimedia files. The publications will most certainly *never* be republished. At best, within an accident of luck – they will be made fairly available *on special request* and understandably **considerable additional cost** from RTRRT Masters and initiates. Providing timely expiry, a comparatively modest *Complete Works* \$ 10000 republication – recession exempt - could thus reach half a million of Euros worth by year 2017, **zodiacal information worth its weight in gold.**

ⁱ 20 Minutes Astrology.

ⁱⁱ Cetacean calculi.

ⁱⁱⁱ 2011- Jupiter and most planets in Cetus. 2012 - Uranus in Cetus. We live in the Æon of Cetus; Age of Pegasus.
