PUBLICATIONS AND SITE URL DEADLINE

<http://www.lulu.com/spotlight/astrology>

The cetacean<sup>i</sup> years 2011 & 2012 do mark interesting times, indeed. At present, the zodiac is partly vanishing from the web due to a timed deadline. Thousands of publications will expire by mid October 2011, never to be republished again. Make your download till October 14<sup>th</sup> 2011 when the revealing publications are alas scheduled for timely self-destruction. You don't want the strategic zodiacal as well as magical material to fall into wrong hands, do you now?

## WITCHÅLLOW

As the new skies barely make their appearance, we don't as yet really know what new heavens are about. Traces of what we do know are to be found within the large body of Dark Flux – Axis of Evil material. The deadline for said purchase is October 15<sup>th</sup> 2011. This deadline is final as concern multimedia files. The publications will most certainly *never* be republished. At best, with a great deal of luck – they will be available on special request from RTRRT Masters and initiates.

---

<sup>i</sup> 2011- Jupiter and most planets in Cetus. 2012 - Uranus in Cetus. We live in the Æon of Cetus; Age of Pegasus.
